Family Faith Formation – Another Option for Religious Education

Family Faith Formation is designed to help YOU, the parents, respond to the Church’s call to be “the first and foremost educators of your children,” and to help your family grow in the transforming love of God by understanding and living your Catholic Faith. Your children won’t simply learn the faith, they will live it in the home as we help you learn how to build your Domestic Church.

Two meetings at Holy Trinity per month are required: one Parent Meeting where we walk you through that month’s lessons, help you build your lesson plans and answer any questions you may have. These meetings will also become a source of community and support for all the parents, where lasting and close-knit friendships have been built in the past. The second required meeting is the community gathering. All the families come together once a month for social time and a group activity that reinforces that month’s lesson. You may choose what works best for your family, Option A or B:
